C. CAUSE OF ACTION

COUNT I

The following civil rights has been violated: <u>Right to due process</u>
as guaranteed by the Fourteenth Amendment
was violated

Supporting Facts: [Include all fact you consider important. State the facts clearly, in your own words, and without citing legal authority or argument. Be sure you describe exactly what each specific defendant (by name) did to violate your rights].

October 17 2013 Derective Motthew Jagodka found my 2 yr old daughter floating beneath the solar cover of his pool located in the back yard of the home he was renting at 7742 Mouning cove ct. He pulls her from the water and runs out front into the street were the child mother had been fronticly searching for her. Det. Jagodka brings the mother the body of her child. His wife Heather Jagodka calls 911 initiating Event 131017-3204. She relays instructions to do CPR to neighbors who perform CPR until paramedics acrive. As the mother is being transported via ambulance with the lifeless body of her child to Centennial Hills hospital where she would later be pronounced dead. Metro acrive at the scene and make contact with their fellow officer Det. Jagodka. They relize that our 2 yr old child was able to gain access to Det. Jagodkas backyard pool area where she lost her life, by simply walking between the widely spaced bars on the southside gate. (Gates securing pools are required to have har spaced no more than four inches apart to prevent child downings).

Der. Jogodha and his fellow officers attempt to conceal his faulty souths de gate by having it fixed with the installation of wiremesh across its widely spaced bars before taking photos of the scene. Det. Jogodha and his fellow officers also attempt to conceal his involvement by using the identity of David Davis and Kari Davis in place of Matthew Jogodha's and Heather Jogodha's true identity on reports and recorded oudio statements.

Detective Hernandez conducts recorded audio statements with his fellow officer Detective Matthew Jogodha and Heather Jogodha Using the names David and Kari Davis. Det Jogodha does not disguise his voice on the recording, inadvertently makes referred to working as a detective and gives the names and birthdates of his biological daughters Emma Jogodha and Molia Jogodha while pasing as being a David Davis.

OZ Kari Davis statement October 17 2013

Officer Schmitt perjures his official report by using the names DOB's and son's of David Raul Davis and Mari frances Davis (Amarried couple who reide in Terre Haute IN) in place of Motthew Jogodha and Heather Jogodha (Daughrer of Metro Area Command Licutenant Theodore Snodgrass) Off. Schmitt also fabricates written statements. Using his print style writing he tabricates a Pavid David statement, Using his cursive style writing he fabricates a Mari Davis statement, He also fabricates signatures on each statement and a consent to search form using his distinct style

writting. (See in ExhibitA)

Cynthia Sauchak perjures her official report by using the names David Davis and Kari Davis in place of Manthew Jugadha and Heather Jugadha, Sauchak also conceals CSI reports and photos done by CSI Amanda Wright documenting the southside gate as being the point of entry to Det. Jugadhas backyard, Sauchak does not submit CSI Amanda Wilght's photos and messurements of the southside gates widely spaced bars. Sauchak instead submits photo's taken of the scene after the southside gate has been fixed with wiremesh installed across its bare and a large trailer has been parked blocking the northside gate from classing to make it appear as the point of entry (See in Exhibit A)

Det. Jogodka participates in recorded statement using the name David Davis to conceal his identity and works with fellow afficers fixing the scene on his property to conceal his faulty southside gate. Before his fellow officers arrive Det. Jogodka calls 911, identifies himself as Det. Jogodka and identifies his wife Heather Jogodka as being the one who made the initiating 911 call. Det. Jogodka tells dispatcher to have fellow officers contact him if they wants to get statements. Preview on Youtube: 02 911 call October 17 2013 (First call is Heather Jogodka's initiating 911 call, last eall is Matthew Jogodka's 911 call)

After his fellow officers arrive Detilogodka and Heather Jogodka give recorded statements using the same distinct voices recorded on their 911 calls however on the audio their now identifying themselfs os David Davis and Kari Davis.

Od Kari Davis statement October 172013

The defendants conspired togerther violating my rights with malice intent and reckless disregard for due process, equal protection of law and their paths as officers use take names and fix the scene while maliciously pursuing criminal charges against the mother and I in a attempt to protect their fellow officer from civil liability for the wrongful death of a child due to an inadequately fenced pool.

The childs mother Sandra Scharas and I have reported these officers actions to Sargent Warren at Metro Internal Affairs. Sgr. Warren asked us to email her evidence, assured us she would begin an investigation rightnaway and contact us shortly. After Emailing Sgr. Warren photo's and audio of Der. Joguella along with a long list of withesses who identify him as the man who carried our child from his backyard and came to court to testify as David Davis. We never heard from Sgt. Warren again. All our follow up calls were fielded by the Internal Affairs secretary who would place us on hold then come back on the line to tell us Sgt. Warren was unavilable, didn't know when or if she would become avilable, and when we would ask to speak with a supervisor we was told there was roone close we could speak to. After months without a single call being returned we came to the grim realization that even Internal Affairs was going to protect their fellow officers.

Stating it briefly these officers malice actions have caused Sandra Scharas and I unimaginable pain and suffering aswell as extreme mental distress in the wake of our 2 yr old daughters death.

Note: Detective Matthew Jogodha and Heather Jogodha currently reside at 3701 Glen

Ridge way. Attorney Steven Ried went to this address and met face to face with Matthew

and Heather Jogodha who presented themselfs as David and Mari Davis, Photos of the Jogodhas

and said that there was a two year old missing. Um, so I ran in the other room. I have altwo and a five year old, so my heart sank too. Um, and she told me that the mother had told her the two year old had been, um, that the mom had told her that she left her work this morning and had just gotten home and that the front door was open and the dad had passed out in the garage. Um, so I went and put my shoes on and ran out the door, got the stroller out. I put my two year old in it and grabbed the five year old and all four of us went walking through the neighborhood. And we were, uh, one street up when my wife said, "You know, when I let the dog out when we got home tonight, there was a Lunchable in the back yard. And we haven't had - I haven't bought Lunchable's in a - over a month," And um, she said, "We need to go back home and check the back yard." And we came back and I asked her to keep the kids back and I would just run back there real quick, and I was - I ran, uh, I went to the back of the pool because I had noticed on the right side of the pool there - there was 2 spots where the cover was kind of flipped up a little bit.

Q: Mm-hm.

A: And usually it's laying perfectly flat. And um, so I looked under the first part where it was lifted up, and there was nothing there and I went back by the water fall and lifted it up and there was nothing there. And, um, I don't know. I just thought to myself, I don't know, I got down and looked...

- Q: Mm-hm.
- A: Under, and didn't see anything, and I just thought to myself, "I'm just gonna yank it back away from the water fall." It looked like it had been moved quite a bit...
- Q: Mm-hm.
- A: ...back there. And when I pulled it I just barely pulled it and her little foot popped out, uh, from under the cover. And then I realized my five year old was standing right behind me. And I I mean, just in a panic I just grabbed the little girl and pulled her out of the water and you know, I ran her from the I didn't know what to do so, I ran her down the side of the house here...
- Q: Mm-hm.
- A: And out into the street and when I got to the street I saw the mom standing there across the street, so I just kept running with her until I got to the corner over there, and I was just yelling that I don't know what to do. And somebody that knew what to do was there and I laid the little girl down and I put her on her side and I was patting her on the back...
- Q: Mm-hm.
- A: ...um, 'cause she had bubbles and stuff coming out of her nose.
- Q: Right.
- A: So I didn't know. I mean she looked like she'd been in there a while, but, I mean I don't know that.
